Working@Your Library Free Video Guide

Remember the video—Working@Your Library: For Love or Money? It now has a **FREE detailed guide** to accompany it that will help those who are convincing your colleagues, managers, trustees, and elected officials that it is fair and possible to align library workers' salaries with those positions requiring similar education and responsibility.

Working@Your Library is a ground-breaking video that:

1. Illustrates the importance of work done by library workers
2. Highlights the variety of work done by library workers
3. Emphasizes the inequities of library pay in comparison to other similarly trained professions
4. Makes it clear that something must be done

The video, VHS or DVD, is a **free gift with a \$25 donation** to ALA-Allied Professional Association. The guide was written by Teresa Koltzenburg, with contributions by Sue Knoche.

Spread the word—it's there for everyone to download and use!
