Our annual conference covers all topics, except foundations. We also have two to four CE programs per year, which vary in topic. We also have workshops for friends of public libraries, boards, and foundation members.

             

We currently do not offer any certificates or programs.

The CE Committee is made up volunteers throughout the state for a two year term. The committee tries to offer 2 workshops in different parts of the state throughout the year. These workshops are on a broad range of topics. Last year's workshops were about the Patriot Act and this year we have planned one workshop on leadership and one on collecting and preserving archives. The committee also sponsors the poster session display and Roundtable Discussions at the FLA Annual Conference. Again these sessions cover a wide range of topics. If any program proposals align with the CE mission we will also sponsor those.
